Dear Sir or Madam,

This letter is written under no bias on the behalf of Mr. Galido.

As a contracted project coordinator for CNO Computing, Mr. Galido has been a productive asset toward various projects that have been crucial for the establishment of CNO Computing's credentials. Mr. Galido's innovation and will to get the tasks done, has brought inspiration to this new up and coming company.

It is with great respect for Mr. Galido that I endorse the responsibilities and obligations he has within the Information Systems field.

I thank you for your time and consideration. If there is any questions pertaining to any information in this letter feel free to contact me.

Sincerely,

Dave Avalos
Project Manager
